UIA International Scientific Committee Meeting in Seoul from January 9 to 12, 2017

ZOOM IN on Korean Architecture
Grand Prize of Korean Architecture Award 2016

Design with History
This Keynote Forum deals with how East Asian contemporary architects would perceive their longstanding history and continuous variety of traditions, rooted architects who have lived through the tumultuous 20th century will be challenged to answer the question of "What is modern architecture?"

Stay tuned, Keynote Forum [Culture] will be published in the next E-Newsletter.
