[Arario Museum Space]

Introduction of Tour

[Ssamziegil]

Ssamziegil, opened on December 18, 2004, has been called the “Special Itaewon within Itaewon.” This unique area was designed in such a way as to connect each charming level together in the form of a spiraling walkway. Enjoy window-shopping in the cozy stores until you reach the top, where you will arrive at Sky Garden. Here, you can get a extraordinarily clear view of the city. Ssamziegil covers 42,705 sq. ft. with over 70 shops including handcraft stores, souvenir shops, art galleries, restaurants, and more.
